CONGRATULATIONS CLASS OF 1983

I feel that congratulations are in order: To the people who helped in this endeavor (the book I mean); to all of the teachers secretaries and especially the staff of the guidance office who put up with all my nagging requests; to the graduating class of 1983 — for whom this book was made with such care and zest; and to all the underclassmen — who are left to carry on the traditions.

A special few made working on "Our Year" quite an experience for me and I'd like to express my sincere thanks to them. I'm sure that having those special people on the staff made this book better.

Just being on the staff was an adventure, to say the least. We, the yearbook staff, hope you can remember your memories through our devotion to this year's yearbook.

GOOD LUCK CLASSES OF 1984 & 1985

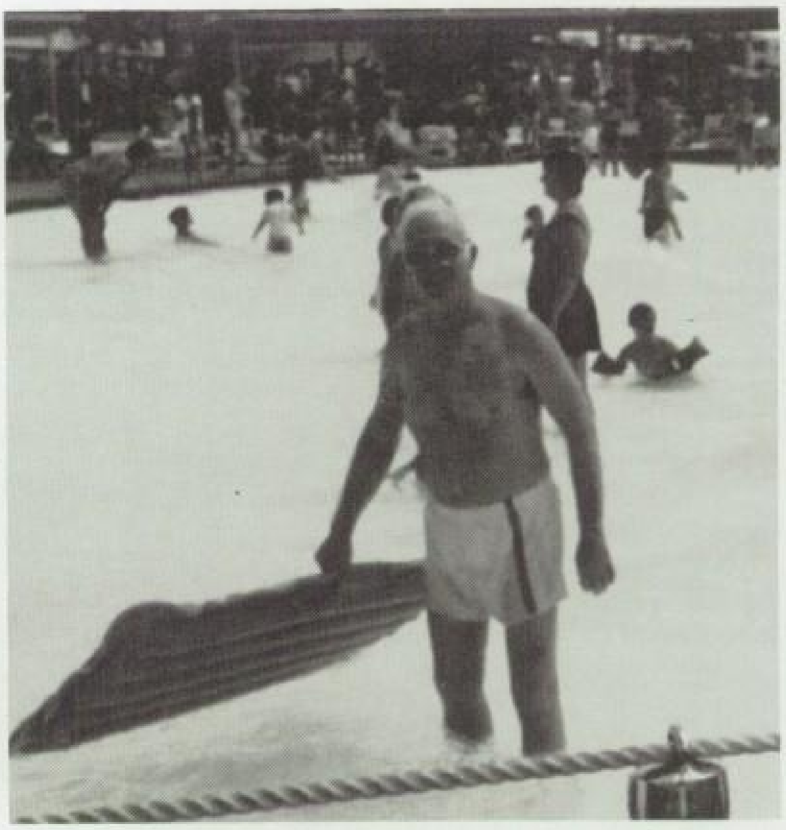

Mr. Hemberger served three years in the Coast Guard before attending Millersville State College, where he received his B.S. in 1948. Later, he earned his M.S. from the University of Pennsylvania. Mr. Hemberger's career has been spent at Downingtown, where he began as an industrial arts teacher in January of 1948. He served on the founding committee of the Industrial Arts Association of Pennsylvania and was honored as their teacher of the year in 1963. In 1964 he was named Man-of the-Year by the National Association of Industrial Arts.

In the future, Mr. Hemberger plans to spend more time woodworking, fishing, gardening and enjoying himself at his shore home.

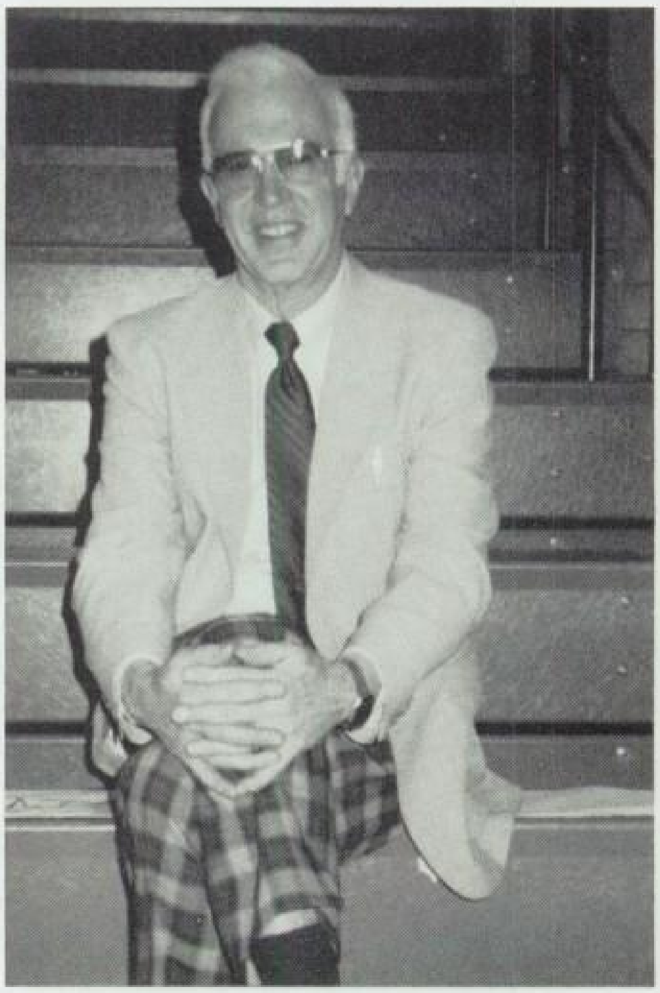

Thank you

Mr. Hemberger was selected as the recipient of this 1983 yearbook by the senior class. This class has chosen to say thank you on behalf of all thirty-five classes of graduating seniors whose lives he has touched. He has given thirty-five years of learning, laughter and love to the students of the Downingtown Area Schools. We sincerely thank him and wish him good fortune and good health as he begins his new life. To you, Mr. Elmer Hemberger, we present and dedicate the 1983 yearbook of Downingtown High School.

Dr. Charles Micken

Dr. Charles Micken will be retiring from the Downingtown Area School District this spring. During his tenure as superintendent, Dr. Micken has overseen not only the physical expansion of the ditrict, but also the many policy changes that are brought about by progress. Dr. Micken has been dedicated to the best interests of Downingtown students.

Good-bye

The result of this dedication can be found in the excellent educational programs offered in this district. We owe Dr. Micken our thanks and our congratulations for a job well done

Thank you

Mr. Walter Hessinger

Mr. Walter Hessinger will take over as school superintendent upon Dr. Micken's retirement. Mr. Hessinger has spent many years in the Downingtown district, both as an administrator and as a parent. We welcome him to his new role and wish him success in his endeavors.

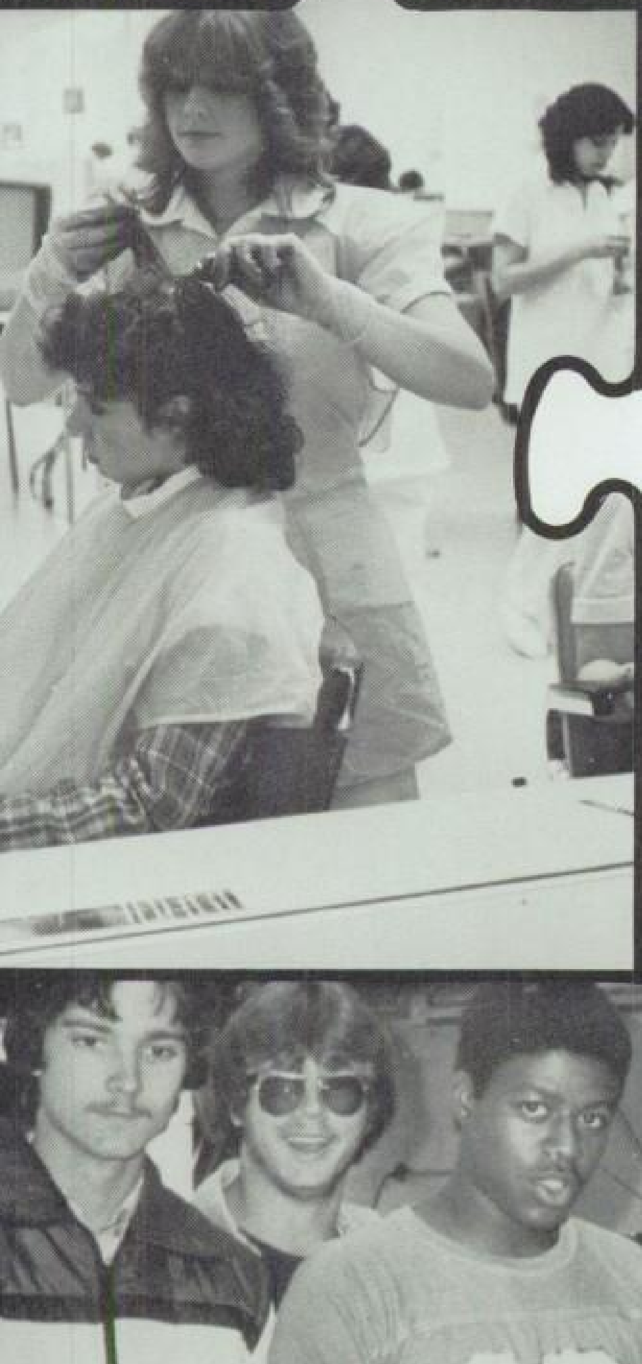

Vo-Tech

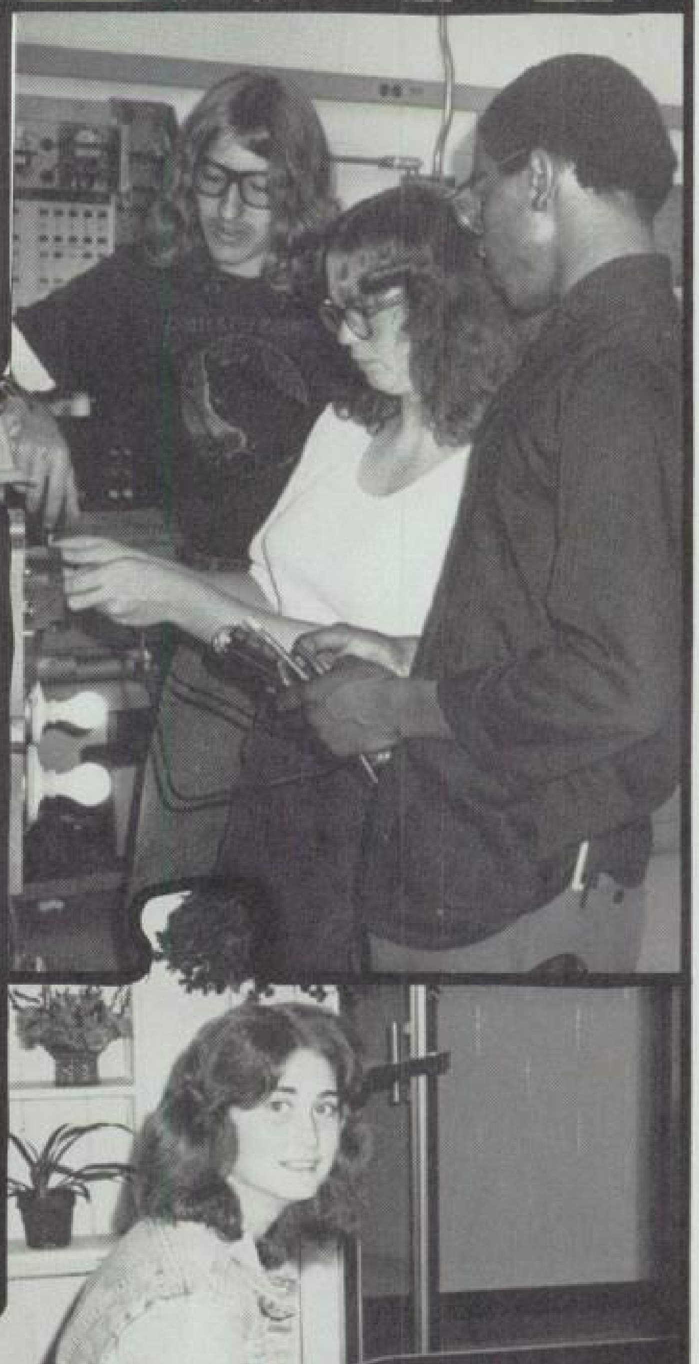

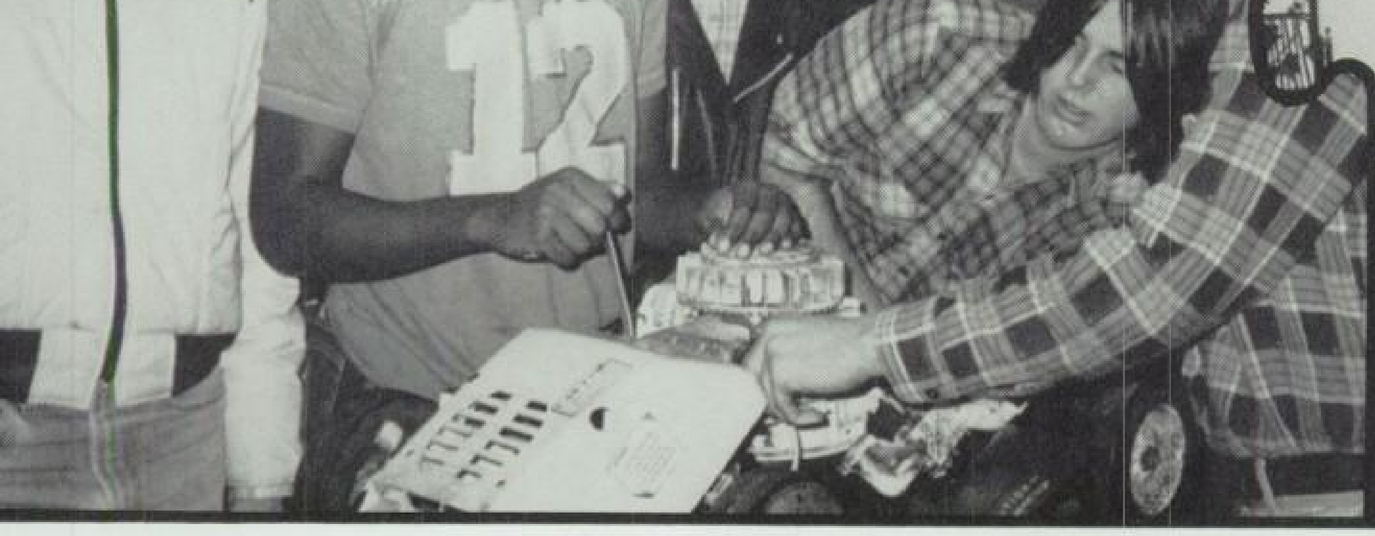

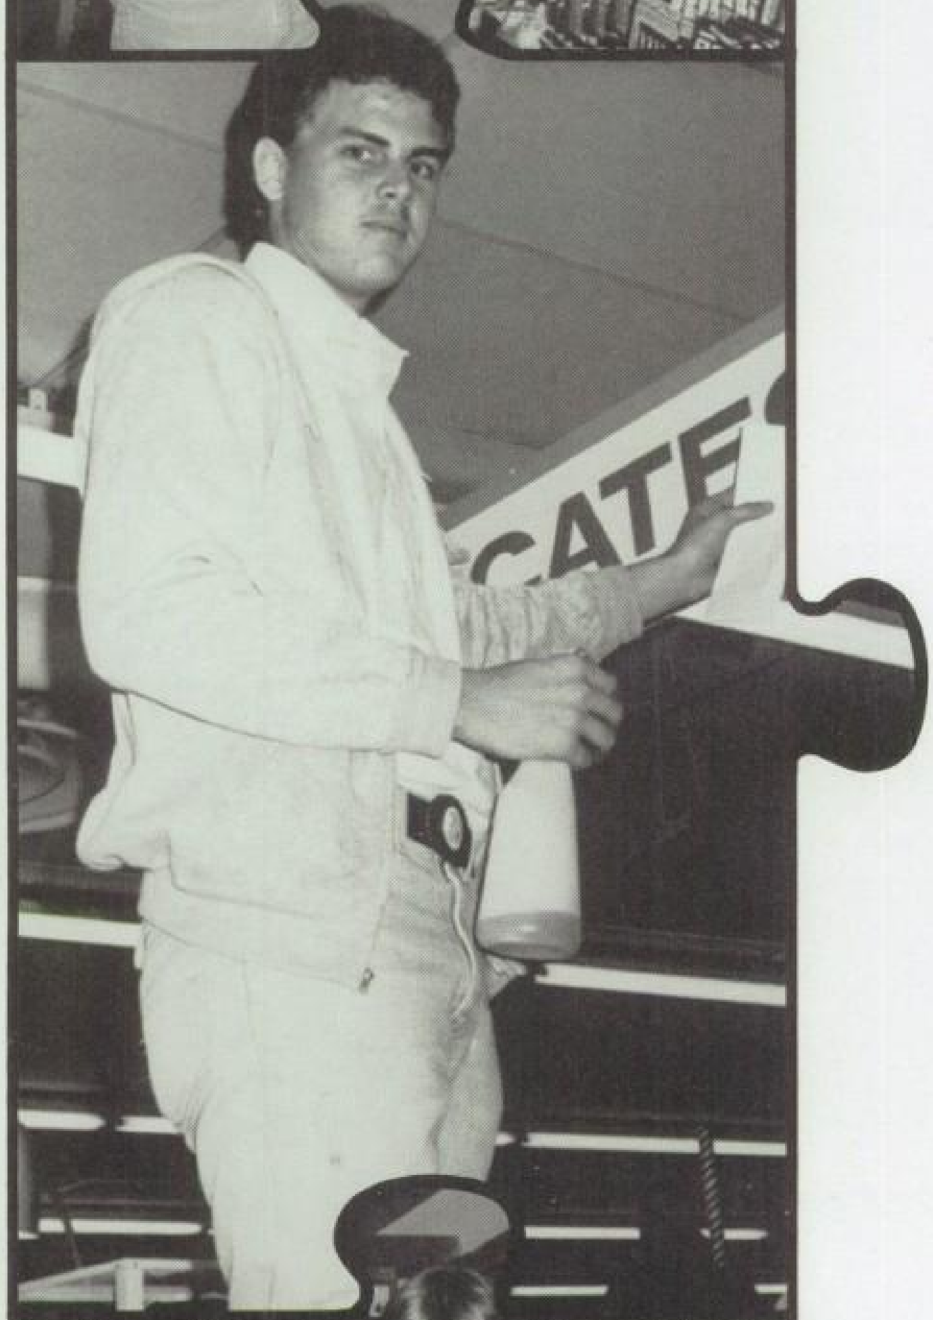

The Vocational Technical Program offered at D.H.S. has three general objectives: the development of attitudes, of skills, and of knowledge. Knowledge is the actual "know-how" of the trade, while skills are the ability to put that knowledge to work. The third objective, attitude, centers around the training of character and personality. The vo-tech program offers students a chance to learn and adapt to a specialized trade before graduating from high school.

Pupils Reaching Out

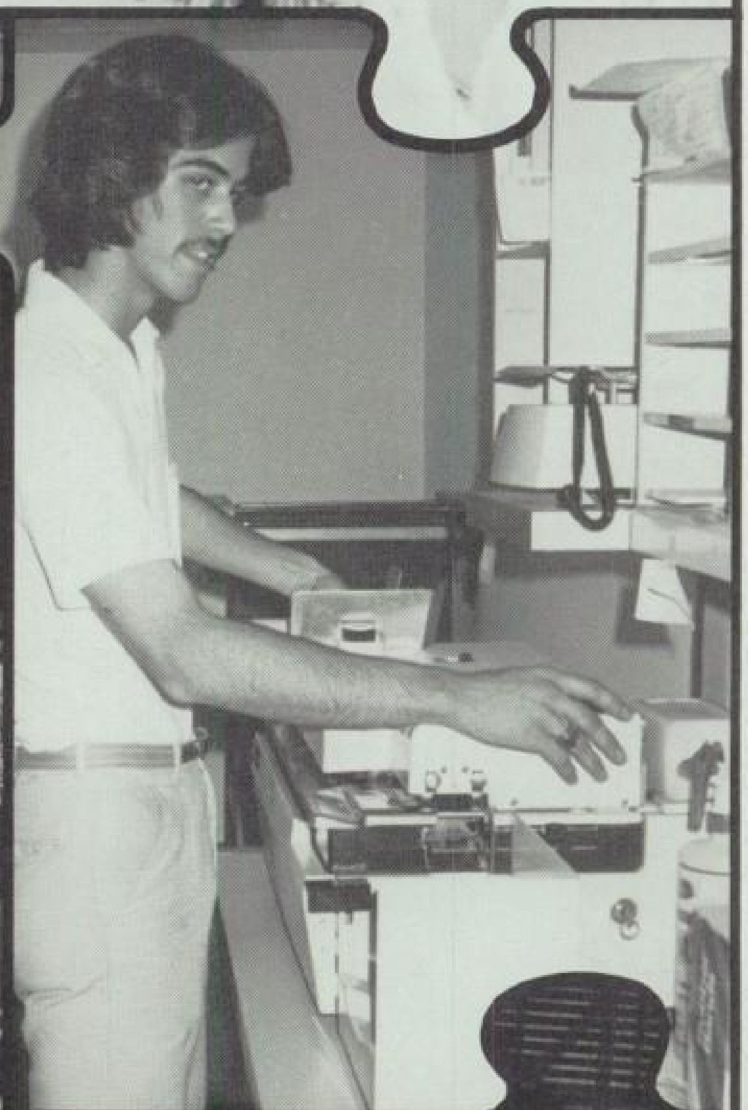

P.R.O. (Pupils Reaching Out or Providing Realistic Opportunities) in its tenth year is a very popular senior career oriented program. It seems more students each year take advantage of this vocationally oriented concept. Its purpose is to bridge the gap from the academic to business world, and where better can a student learn what to expect of this world, than by actually being there. PRO is Downingtown's answer to the ever growing goal of quality education to educate vocationally.

Inger Adamson & Keiko Koh

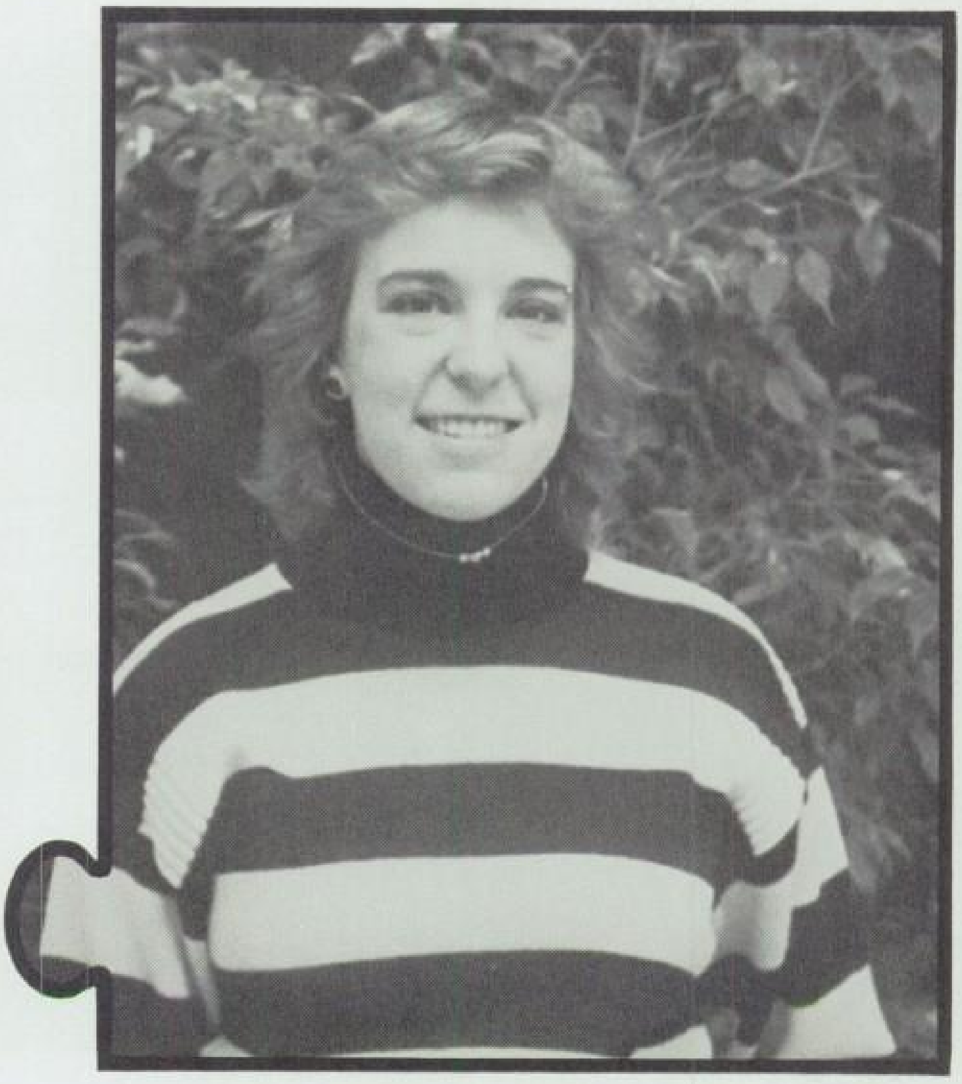

I was very surprised when I first came here to Downingtown. My school in Tokyo, Japan is a private, small Quaker school, which is very different from DHS. It has about 800 students in Jr. and Sr. High, and the teachers move from class to class. The homeroom teacher does guidance and the students have a big togetherness among homeroom classmates. Even though there is a great difference, I am glad that I could spend a year at DHS. This year taught me many things and I would like to say thank you to everyone who was kind for me.

Keiko Koh

Being a Rotary Exchange student brings one thing to mind for me. "Hi, how are you?" For a year, that's about the only English spoken to me. The rest was Spanish, and being in Mexico, it was not unusual. I left in the summer of '81, and returned a year later, spending my junior year abroad. The experience was wonderful and now I only want to go back. Barring homesickness, the language barrier my first few months, and the cultural shock I experienced, Mexico was one of the best experiences I've ever had. Coming home was harder than leaving, too. When I left for Mexico I knew I'd be returning to Downingtown. When I left my town of Torreon, I wasn't sure I'd ever return. More than that I found I'd returned home to my family & friends buth they were strangers now. Not only had I grown & changed in Mexico, but so had the people close to me. Especially my friends. Through all I'd survived, though. And coming home, I found myself a better student and person.

I am a rotary exchange student from Mexico. This year that I am attending DHS I have known new courses that we don't take in High School in Mexico, I have also met many foreign students and american students. I think that DHS has a good school system. In this school, the students don't waste much time and the teachers are never absent. What I like best of DHS is the friendliness of the teachers and principals, they have always helped me. I think this school is very nice.

Sincerely,
Joaquin

THE VITAL STATISTICS

Believe it or not, we have six sets of twins in the senior class (We heard rumors of others but they didn't show-up for pictures!) This page is to give you a little insight into what it must be like to be a twin. It's also here to refresh your memory as to "Who's Who" before our fifth reunion. Some of these people may look alike and others may just share a birthday but each and everyone is really quite UNIQUE!!

The Jargon Of 1983:

SURE!

EXCELLENT

Give Me A Break!

go for it!!

OOH BABY!!!

LATER!

TOTALLY

WHAT UP!?

mega

Hook 'em up!

AWESOME

Is It Friday Yet?

Are You Serious?

where's the party?

IN MEMORY

Dan

He had so much to live for
And so very much to give.
You wonder if it's fair,
But there's nothing we can do.

He was a quiet kind of guy
Who always had a smile.
His memory will be with us
For a very long while.

Dan was very popular
A carefree kind of guy,
Always giving the best he had
And never asking why.

All of us will be asking why
And the reason is very unclear,
But I think he'd want us to be happy
'Cause actually he's always quite near.

SKI CLUB

As the cold weather approaches, a hum of excitement passes through school. The skiers are wishing for snow and planning trips to Vermont, mainly Killington. I must admit that the nearby Paconos don't meet the challenges of Vermont or even New York, but they provide the winter home for the DHS Ski Club. A typical day begins at 4 am by falling out of bed to face a two hour bus ride. From then on, the day becomes enjoyable with the strenuous exercise and challenge of skiing, the beautiful weather and breath-taking views, and plenty of friends to share the joys of victory and the agony of defeat. The club arrives home late that day in complete exhaustion. With such a gruelling day, Why go skiing? Just ask a Skier, and they'll reply "Because it's fun!" The DHS Ski Club gets plenty of fun with eight scheduled trips to Jack Frost, Big Boulder, Shawnee, and Elk. These trips provide the unforgettable memories of the slopes conquered and the spectacular spills taken to conquer those slopes. That's what skiers find fun, and as long as there is snow, there will be skiers having fun with friends. — Pam Morrison, Secretary

This year has been extremely successful for everyone, and we hope that the future holds happiness and promise for all. And maybe someday Nat will get organized before 8:15, and maybe Craig will do something (constructive), and maybe Brad will stop flirting in homeroom, and maybe Angela will be dressed before she gets there.

A special thanks should go to Mrs. Kelleher, our advisor, and Mr. Stewart, asst. advisor, for all their dedication and hard work throughout the year.

El Club de Espanol is an organization for Spanish III, IV, and V students who have an interest in the Spanish language and culture. The group meets once a month to enjoy tacos, Doritos, and other tasty delights, as well as to play energetic, mind-provoking games such as "Te gusta tu vecino?", and ' "Los Deportes". The favorite meeting of most students is the annual Christmas party, "La Fiesta de Navidad". Everyone enjoys the dinner of arroz con pollo, prepared by the club members in the cafeteria, and the "dulces" after the breaking of a pinata. Other Spanish customs and traditions are observed including the popping of grapes with 12 strokes of the clock. Each year the club sells poinsettias to sponsor field trips to movies and restaurants, which provide more insight to the Spanish culture.

This years officers are: E. Elvanian(Pres.), K. Belcher, (V. Pres.), C. Napoletano(V. Pres.), E. Grant(Sec.), and K. Dougherty (Treas.). Mrs. Laurento and Mrs. Lyman are our dedicated advisors this year.

The library aides perform a valuable service for their school by assisting in the daily operation of the library. Individually they volunteer some of their study hall periods to do such things as check materials in and out; sort passes; shelve books; keep the shelves in order; answer questions; check in and change the mail, and so on. As a club, they plan several "fun" events each year. These include decorating the library for Christmas; taking a field trip; and having a picnic in the spring. Each and every member deserves much credit for their efforts.

hook me up

This season was the most successful in H.S. history. From the beginning practice sessions in August, we achieved a unity and spirit until the end against Carlisle in the state quarter final game. Our season was most definitely highlighted by our berth in the district championship game and our advancement into the state tournament.

We accomplished many goals this season. We son the first Ches-mont championship in D.H.S. Soccer history. We were also the first team to advance into inter-district and state competition in the history of the Ches-mont league. And finally, we paid a debt to the previous teams that have worked just as hard as us but with less success. Without the foundation that they established, we would not have achieved the success that we did this year. We would also like to congratulate the players who were selected to All Ches-mont. Congratulations.

In 1982, we finished 2nd in the league with an impressive 7-1-4 record, which qualified us for districts. At camp, we laughed, grubbed and played hockey. The legendary seniors included Jenny-N.T., wassup?, How about a Hershey's kiss; Karen-B.T., Who stole my cleats?; Lisa-Leese, G.T., A. Bubblehead; Sue-Let's be serious you guys; Ethel-That girl tripped me, Cooker, can you give me a lift?; Laurie-Hi guys, Who ate my suzie Q's?; Patty-Show us them pearly whites; Kat-Your fan's flaming!, Not another times mile; Dori-Wanna Jam?, Your locker is hidious; Meg-Thanks for the poetry!; Lise-Ledbutt, Only two more days; Stacey-Sticky, Will you guys stop calling me that, Let her flick!; Maria-Only 36 calories tonight!

It was a long season, but we learned a lot, stuck together, and played well. Remember "Jammin on the Terrace", "Another pole run", "Who's afraid of Mother Cabrini?", Deb-we're going to miss ya-Blue eyes.

Special thanks to Miss Brink and Miss Bald for putting out the time and effort to give us a successful and memorable season. Co-captains Maria DiPietro & Jenny Gerlach.

CROSS COUNTRY

The 1982 boys cross-country team finished in 5th place in the Ches-Mont league with a record of 5 wins and 4 losses. Although we had only a handful of runners we did relatively well. At the home meets each runner strived for his best time on the course and this helped as a team to overcome defeat. What hurt our team was that one of our top runners was injured toward the end of the season and was unable to run in our last few meets.

Even though we did not have the best of seasons the runners had fun and got along well. We would like to thank Mr. Nowak and Mr. Schmidt for a great coaching job this season and the support of the soccer and football teams during home meets.

Captain
Janie Geschwindt

The DHS female harriers (and Jennifer) have conquered the many challenges of the 3-mile cross country course. Daily workouts involved practicing form, stride, pace, hills, & endurance. Seniors Alex Grigson & Noelle Keech will be missed for their spirit and dedication. We thank Mr. Schmidt & Mr. Nowak – our coaches, Mr. Pastino – our official timekeeper, and our fans, Mtrs. Schmidt, Mr. Urbine, Beaker, & Monkey-man.

"They're only half mile loops", chubitis, "I'm not running past the football players alone!", poison ivy, "Stop stretching-here come the soccer players!", 3 beautiful maidens, backward surfers' shirts, "Keep your pants on, please", Connie-JohnnieRandyAndybursitisitis, "Forfieting? . . . Again?

The 1982 girls tennis team finished its season with an undefeated record of 11-0 in the Ches-mont league. Jand Gerlach and Cindy Lichok represented Downingtown at Ches-mont, District I and State doubles championships. They placed 1st in the Chesmont league, 4th in Disricts and were among the top 8 teams in the State.

The depth and talent of our team led us to winning the Ches-mont championship. But, one thing must always be remembered. We couldn't have done it without the support, leadership and confidence Mrs. Desmond showed us throughout the season. Thank you.

The 1982 golf season was like a tricky putt, containing alot of ups, downs, and curves. The play at times was inconsistent; however, fun was always a constant product. The best score as a team occured at Boyertown, where we shot a 391. However, the highlight of the season occured at the championship tournament where we shot a 407, finishing second by only three shots. As a rresult of the strong tournament, the golf team finished the season tied for fourth place.

Marianne Murphy distinguished herself as an outstanding player by qualifying for the state tournament where she finished 25th. Along with Marianne; Becky Fogelman, Jenny Martin, Kevin Beaupit, Bob Dickson, and Sean McDonough played in the district tournament. Kevin Beaupit and Bob Dickson were named to the All Ches - Mont team at the conclusion of the season.

The varsity basketball coasted to a dazzling 13-3 Ches-Mont third place finish. Leading the way was Mick Melvin who led the league in scoring. The Whippets practiced teamwork down to a "silkish" perfection in destroying Coatesville and other opponents. The team members experienced some great moments. Gary Francella hit two free throws to beat St. Pius. Frank "Playboy" Archie and Brad Novak played quietly consistent great games all year. Bill "Boogens" Mayo and Mike McShane kept the guard corps up to par. "Giving credit where it was do," Mike "Fire and Ice" Rabinowitz proved instrumental coming off the bench. Jeff Zona and Butch Schucker "pop the rock," in helping shore up the pivot. Scott Pfaff, Antwon Williams and Wayne Urbine kept the practices lively. The Whippets were more than a team, they were a "science."

Upon graduating, one reminisces on the times shared with friends. This season is one to be remembered. We finished the season with a record of 14-2 and overall it was 18-4, which was a great accomplishment. By finishing 2nd in the Ches-Mont standings, we earned a district playoff berth. We wouldn't have been able to achieve anything without our slave driving coaches-Mr. Schnure (varsity), and Miss Borio (j.v.), and would like to thank them for giving us the chance to mold our talents into a "business like manner". Some of the specialities that would like to be remembered are: Yo mama, C.T - "Queen of the boards," untapped potential, white man's disease, faithful fanCAT, who's got the vaseline, "oh", smurf out, the FORCE, child please, "mmm," Bustin', "Funk, Punk and Prep," "It's Miller time, your papa's a smurf, inuendo, sit-cha-a-tion, and special thanks to Mr. Morgan, Mr. Davidson, the managers, fans and our families.

The Girls Swim Team started the 1982-83 season with several victories. The team had great efforts by all the girls who made it successful! The important factor of the season was that everyone stuck together, cheered each other on and congratulated every swimmer. It was a team effort not an individual sport.

Mr. Mulvaney, the coach, kept the morale high and gave confidence when it was needed. Half way through the season the team was sluggish, but they came back for Coatesville to beat them for a second time.

This year the team sent six swimmers to the PIAA District Championships at the University of Pennsylvania in Philadelphia. The medley relay consisted of Lisa Johnson, Amy Shrum, Paula West, and Susan Dougherty, and the freestyle relay had Lisa, Paula, Cathy Palski, and Chris McShane. Both teams did an excellent job.

Cathy Palski and Lisa Johnson swam the 100m Backstroke in which Cathy won the event. Cathy also finished 4th in the 200m Freestyle and will be swimming both events in the State competition. Another gold medal winner was Chris McShane, she captured the 100m Fly and she will join Cathy at States.

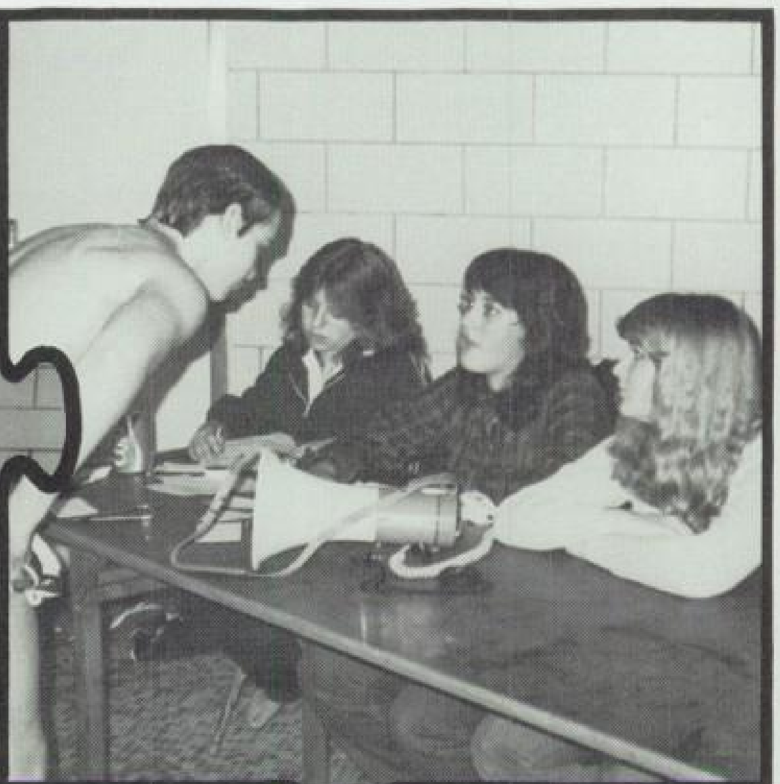

Over all the team did a nice job this season. Captains were Susan Dougherty and Susan Gitzendanner. Watch out next year!

Row 1- Scott Hayman, Ron Hunt, Greg Dommel, Nolan Miller, Jeff Trego. Row 2- Rob Broderick, Joe Tischler, Eric Proctor, Drew Hamilton, Scott Ramsay, Richard Reese, Andy McDowell. Missing- Joe Archie, Marc Ruggiano, Coach Bellis

The Indoor Track Team isn't included in the ranks of popularity with basketball and wrestling, but we are a team. The practice between meets gives each person or relay a chance to better his time. But whether triple jumping or a relay we are still a team.

Our meets took us to Haverford, Lehigh, and Widener Universities. Our two most successful team members were Scott Ramsay who placed 2nd and 3rd in pole vaulting. This earned him a spot at the Meet Of Champions at Lehigh University. Our other team member was Joe Archie who placed 5th for the triple jump at our last meet. But even though these two achieved their goals they couldn't have done it without the support of the entire team.

Led under the faithful leadership of Mr. Bellis we had some good times: getting up at four in the morning, "the brothers have the back seat," jamming on the bus and radio wars, Norman the bus driver, Skeets Nehemiah, "Hey Buddy, I'm your two lap man, and who's got Mr. Bellis's hoagie.

We'd like to thank Mr. Bellis for putting in his time, effort and patience into our season. Also we'd like to thank our families for getting us to the buses on time and putting up with our late nights.

This year's staff worked harder than ever. We had our share of ups & downs (sometimes more downs than ups) but we tried to make this edition of "Our Year" unforgettable. I'm sure the staff will never forget, how could they! The tiny yearbook room gave birth to some great ideas and some not so great ones, but we had a good time. Remember, we made this one for the Class of '83!
